FOREWORD

The University of Peradeniya is pleased to present the Statistical Handbook 2017 which is an annual publication.

The present issue includes statistical data which comprises general information relevant to university admissions, student enrolment, financial status, performance of graduates and staff. The contents of this publication would be useful to the academic community as well as those who have an interest in the overall activities of the University of Peradeniya.

I would like to express my sincere thanks to all staff of the Statistics & Information Division for collating and processing the data and compiling the publication in a meaningful manner.

This Handbook will also be published on the University website www.pdn.ac.lk/uop/publication/handbook.
