FOREWORD

The University of Peradeniya is pleased to present the Statistical Handbook 2021.

This issue includes statistical data and general information pertaining to university admissions, student enrolment, financial status, performance of graduates and staff. The content of this publication would be useful to the academic community as well as those who have an interest in the overall activities of the University of Peradeniya.

I would like to express my sincere thanks to all staff of the Statistics & Information Division for collating and processing the data and compiling the publication.

This Handbook will also be published on the University website www.pdn.ac.lk/uop/publication/handbook.
