FOREWORD

I am pleased to introduce the University of Peradeniya Statistical Handbook for 2023. This handbook represents the culmination of our institution's dedication to transparency, accountability, and continuous improvement.

At the University of Peradeniya, we believe that data-driven decision-making is paramount to our success. This handbook serves as a comprehensive repository of statistical information that provides valuable insights into our academic, research, and administrative endeavors.

Through meticulous data collection and analysis, we aim to track our progress, identify areas of strength, and pinpoint growth opportunities. This handbook is not merely a compilation of numbers but a testament to our commitment to excellence and our relentless pursuit of academic and operational excellence.

I extend my gratitude to everyone involved in creating this handbook and encourage all stakeholders to utilize this valuable resource to shape the future of our esteemed university.

Prof. M.D. Lamawansa
Vice-Chancellor

Note: the University has strategically appointed 254 staff members to bolster its operational framework. These appointments, facilitated through a rigorous national competitive bidding process, have been drawn from the private sector. Among these appointments are 124 sanitary labourers, 120 private security officers, and 10 gully laborers designated to fortify the Maintenance Division.

Further the Cooperative Management Division (CMD) of the University has appointed 67 contractual staff members for faculties, divisions and centres who operate beyond the sanctioned cadre.
